

ACCOUNTING

BACHELOR OF SCIENCE, MINOR

Southern Illinois University Carbondale

IT ADDS UP. Accounting is about making sense of financial information and communicating that information to internal and external users to make informed judgments and decisions. Our flexible curriculum is designed to prepare students for diverse career options, including financial accounting, cost accounting, auditing, taxation, accounting information systems, accounting analytics, forensic accounting, consulting, governmental accounting and not-for-profit accounting.

» CAREERS

- Where do you want to work? Our students are recruited and hired by a wide variety of employers, from local to top multinational CPA firms, national companies, the FBI, IRS, and other government and not-for-profit entities.
- Internships! We encourage you to work at least one internship for experience, networking and job prospects. Our students find internships to help them choose their accounting path, and where they want to pursue full-time employment.
- Over 90% of our bachelor's degree students and nearly 100% of our Master of Accountancy students find degree-related employment – often before they've even graduated!

We are a separately accredited accounting program by the AACSB (Association to Advance Collegiate Schools of Business), a distinction held by less than 1% of accounting programs worldwide. AND we are full members of the Federation of Schools of Accountancy.

OPPORTUNITIES

- SIU Accounting students were crowned national champions in the 2023 Deloitte FanTAXtic tax case competition, and 2024 Regional Champions.
- Volunteer Income Tax Assistance program – Become an IRS-certified volunteer tax preparer AND give back to your community.
- Undergraduate Certificate in Accounting – Our 30-credit-hour program qualifies you to take the CPA exam. Available online and on campus.
- Online Accounting degree completion – Finish your SIU bachelor's degree in Accounting online. We are the only public university in Illinois offering an accredited online Accounting degree completion option that qualifies you to take the CPA exam!
- SIU offers a Master of Accountancy degree, both online and on campus.

Student Organizations

We're not just numbers people. We are people people too.

- Living Learning Community (LLC)
- Freshman Interest Group – Join a FIG from your LLC for even more opportunities!
- Accounting Society
- Beta Alpha Psi Honors Accounting Society
- National Association of Black Accountants
- Weekly professional meetings for professional and peer networking
